VIRTUAL EVENT

Innovation Showcase to Fast-Track Urban Recovery

10th - 11th August 2021
01:00PM - 04:00PM (BKK, GMT + 7)

OVERVIEW

As the world slowly emerges from the global pandemic, innovation plays a crucial role in fast-tracking the recovery of cities and its residents.

Plug and Play is known for bringing corporate partners, startups, governments and international decision-makers together to drive innovation to the next level.

In the spirit of this mission, we would like to invite you to the **Innovation Showcase to Fast-track Urban Recovery** event and take a deeper dive into the latest technology solutions that can help strengthen capabilities for cities to be more livable, sustainable and resilient.

Our goal is to be a part of your journey towards a faster recovery and build the future of smart, resilient and sustainable cities. We're looking forward to your participation and ongoing exchange on how to become better together! Join us virtually from around the globe!
